

Pagan Roots of Christian Holidays

Holidays and Holy Days: The Origins and Meaning of Our Favorite Holidays

by Tom C. McKenney (32-page booklet)

Have you ever wondered why we celebrate Easter with eggs...or how we got a supernatural bunny who can lay them? There are so many things that we do at Christmas time...things we take for granted and expect each year; have you ever wondered why we do them and what they mean? Who is (or was) Saint Valentine, and what does he have to do with Cupid? What about Halloween, with its witches, skeletons, black cats and full moons? Why do we send our children out with their costumes and shopping bags to collect candy and other treats, and how do you suppose we ever began doing this in the first place?
