*The Image, the Four Beasts, and the Seventy Weeks of Daniel (Booklet)*

*The Image, the Four Beasts, and the Seventy Weeks of Daniel*  
by Peter A. Michas (56 pages)

If you want to understand the prophecies contained in the Book of Daniel, this information is vital. This study does not parrot the standard interpretations, but brings a fresh look at Daniel's prophecies from the Hebraic roots perspective. Daniel's prophecies reveal not only the ancient kingdoms that would arise, but also paganized Christianity and Islam. The "Little Horn" is identified as Constantine the Great, who established himself as the head of both the Christian church and the Roman Empire. He is also the one who made alterations in God's times and law: the Biblical calendar and Biblical Holy Days. The Seventy Weeks of Daniel are clearly explained, including the historical events and timetable. Chapter 11 of Daniel is presented verse-by-verse with commentary concerning important historical events leading up to the coming of Messiah Yeshua (Christ Jesus).

*The Anti-Christ Revealed in Daniel and Revelation (Tapes)*

*The Anti-Christ Revealed in Daniel & Revelation 13*  
(Two-hour teaching available on two audio tapes or one video tape)

Reveals that Constantine the Great is the Anti-Christ prophesied to come by both Daniel and John in the Book of Revelation. Constantine is the "man of lawlessness" described in 2 Thessalonians 2, who changed God's times and laws by replacing the Biblical calendar and holy days with the pagan calendar and holidays. Explains the Anti-Christ system and the Mark of the Beast.

*New Perspective of the Book of Revelation*  
(One-hour teaching available on one audio tape only)

An exciting overview of the entire Book of Revelation, from the perspective of the first seal opening to reveal Constantine the Great as the Anti-Christ. The apostasy and the false church established by Constantine. The seals related to wars, famines, plagues (the Black Death) and the Inquisition. The seals, trumpets, and bowls of the Great Tribulation yet to come.
